Overview

Bluegrass Digital is a leading digital production agency, working with both South African and International client accounts. We are looking for a mature Frontend web developer to join us. You will be energetic; passionate about using the latest technologies; and eager to grow your skills by working complex responsive website projects, HTML5 apps, API integrations. You will work on some big brand names, some small brand names, build some cool projects and have fun all the way giving you exposure to the latest technologies being used on the web today.

SKILLS REQUIRED

- Minimum of three+ years' experience in web development
- Experience slicing PSD's to a very high standard and accuracy
- Sketch, Adobe Photoshop, Illustrator, Zeplin, Invision
- HTML5 / XHTML
- CSS / CSS3
- Scss / LESS (CSS Pre-processors)
- JavaScript (AngularJS, ReactJS, JQuery)
- Responsive Frameworks (Bootstrap, ZURB Foundation, Skeleton.js)
- HTML5 Mobile apps experience (Cordova; Ionic)
- AJAX
- JSON / REST
- Gulp/Grunt
- Performance optimisation techniques
- Source control versioning (i.e Mercurial, Git)
- Good understanding of UX and ability to question usability where required

SKILLS ADVANTAGEOUS

- Knowledge of CMS products like Wordpress, Drupal and/or Umbraco CMS
- PHP / MySQL / SQLite/ MongoDB
- SnapSVG
- Facebook developer knowledge i.e. Facebook Connect, JS SDK, Developer API

PERSONAL SKILLS / ATTRIBUTES

- A code lover, with interesting hobby projects, open source contributions or proven talent through great work experience & results
- Multi-tasking skills & ability to comfortably juggle multiple requirements
- Energetic and eager to build some cool software
- Honest & ethical
- Punctual & professional
- Creative thinker
- Excellent communication skills, with the ability to express yourself well to clients (if required)

- A proven early adopter & researcher of new technologies
- Excellent troubleshooting and problem solving skills
- Team player and not afraid of a bit of hard-work and fun with colleagues

City: Cape Town
Type: Permanent
Job level: Intermediate to senior level
Salary: Market-related and competitive
